**This place is great.**

Great stay. The house is beautiful and clean, with great views. Great location conveniently located between the embarcadero and morro bay state park. Makes going for a walk in either direction easy.

**Beautiful home, close to town, fabulous views.**

★★★★☆ 4 of 5

The Piney Cove house is just beautiful with stunning views and comfortable yet elegant furnishings. The house is just a short walk or drive from the village, Morro Rock, restaurants and activities. It is also very close to the estuary, and Montana de Oro State Park. Montana de Oro is a beautiful place with cliff walks, otter sightings, bird watching, hiking trails, and killer views. In other words, the house couldn't be better located. During our stay we went wine tasting in Paso Robles, and we also drove up past Hearst Castle to Piedras Blancas Beach where thousands of Elephant Seals breed, give birth, molt, and provide a wonderful experience for tourists.

Our only criticisms of the house are that there weren't enough wine glasses, and that the downstairs bathroom heater vent wasn't working. It was freezing in there. I'm sure that by now this problem is fixed, however.

The people at Beach 'n Bay Getaways were responsive and a pleasure to work with. We would definitely go back.

## Great house for a family with a view of Morro Bay

★★★★★ 5 of 5

It is a great place to stay because of its location, house layout and how it is stocked. The house was very clean and well maintained. The one issue we had with an umbrella on the porch was very quickly repaired. I would recommend this for families with small children.

## Great Home!

★★★★★ 5 of 5

This truly was a nice home with wonderful amenities and lovely beach decor. We will definitely stay there again.

Driveway is difficult to maneuver in but that was it.

## Perfect Morro Bay Getaway!

★★★★★ 5 of 5

We rented this house for the weekend and had an amazing, relaxing trip! This house had everything we needed and was located in a great part of Morro Bay. The house was fully stocked with all kitchen utensils, bedding, towels etc. We loved the interior design and really felt like we were able to relax because the property was so well maintained and organized. The bedrooms were beautiful! We were traveling with two small children and found this home completely comfortable for all of us. The property managers were very lovely and we would definitely rent from them again! I highly recommend this property!

## Outstanding Vacation Rental!!!

★★★★★ 5 of 5

My family and I stayed 4 nights in this beautiful home. I wish it had been a longer stay!! The property was impeccably kept and decorated so nicely that it truly felt like a luxurious vacation. The views from the home were amazing!!! We had all we needed to feel at home.

The location was fantastic giving us access to multiple beautiful beaches to explore. We were also close enough to enjoy the SLO farmers market. I hope to make this home and visit to Morro Bay a yearly family vacation!

## Piney Cove was awesome

★★★★★ 5 of 5

We couldn't have been more delighted with our stay at Piney Cove. The house was in impeccable shape and was very clean. The furniture and decor sets this home far above most vacation rentals and the house comes equipped very nicely with all the amenities. The view from the kitchen and living room of the ocean and morro rock is fantastic and we had a blast barbequing on the deck. The huge garage hosts a ping pong and air hockey table which was great fun. The master bed and bath is exceptional in this home. Nick and Maggie are fantastic to work with and do an excellent job managing this property, far above other vacation rental agencies. They are highly attentive but you won't even have to call them because the home will exceed your expectations. I highly recommend anyone to stay at Piney Cove, this home is worth every penny.

## Great stay in Beautiful Home

★★★★★ 5 of 5

We came to Morro Bay April 2012 for a long weekend (3 nights) with friends. We had 2 families- 4 adults and 4 kids in our party. The Piney Cove house was great! Just enough space for all of us. The living, dining, kitchen area was roomy enough for the kids to play, adults to cook and relax with gorgeous view right out the window. The dining table had bench seating which made it easy to fit everybody. One family took the upstairs and one family took the 2 downstairs bedrooms. The house was super clean, tidy and new. The kitchen had all of the appliances, pots

& pans, utensils and cooking gadgets that we needed. We even grilled outside one evening. The kids enjoyed the air hockey and pingpong tables in the garage. The location was good in quiet neighborhood but not too far from the main part of town. Overall we had a wonderful stay and hope to be back someday. Highly recommend this property.

## Ideal Vacation Rental for families

★★★★★ 5 of 5

We were amazed at how gorgeous this home is! Everything in it was brand new and beautiful! All I can say is WOW!! They thought of every single detail. We had two families staying there iwth 4 kids; ages 1,2,4 and 5. We brought a baby gate that we secured at the top of the stairs and didn't have to think twice about the kids safety. The round ottoman would perfect so that we didn't have to worry about sharp corners with the little ones. The large open Family Room had plety of space for games, puzzles, and crafts. The kitchen was spacious with top of the line appliances (the dishwasher was so quiet it was amazing!) We cooked in for several meals and even baked cupcakes and a cake for a birthday and they had EVERYTHING!! The bedrooms were fabulous as well, comfortable beds and bedding. The downstairs media room was great for the older kids to play and sleep in with the pull out couch. We also ened up using the single pull out beds once we realized that the girls were not getting any sleep in their room together :) Overall a great experience, wouldn't change a thing and would and will recommend it to anyone!
