neat and clean----- great view -----

everything needed was there Only 1 change needed on the lower floor. Windows that you can see out but not in to insure privacy from the public dock. Would only rent the upper level.

Excellent condo in a fantastic location.

★★★★★ 5 of 5

This is a very well-kept property right on the waterfront of Morro Bay. It comes with its own garage which is great for your rental car. It has an excellent view of the Morro Rock and the sailboats that are docked in the bay. You can easily walk to all the great shops and restaurants located in Morro Bay. It is a short drive to San Luis Obispo and Avila Beach. Slightly to the north there are great parks in which you can hike trails to the ocean and search for whales. While we were there we did see one whale off of the coast. Also many dolphins. If you rent a kayak in Morro Bay you can get up close to see lions and sea otters. The locals are very friendly. We will definitely return to this property.

Incredibly beautiful

★★★★★ 5 of 5

We spent 5 wonderful nights in this condo. It is immaculate. You are in a fantastic location, close to everything, but away from the crowds. Bonus is a huge garage where we could park our car safely and keep our bicycles. The condo has a beautiful view of Morro Rock from every window. There is no AC, but in the heat of summer, we didn't need it. The windows allow the cool breezes to keep you very comfortable. We didn't cook, but there is a fully equipped kitchen with everything you need including spices. The condo is painted in cute beachy colors. I selected this condo on line. I feel I need to write a review because that's how I made this good choice. It's not cheap, but you won't be disappointed!

Loved this place

★★★★★ 5 of 5

We stayed in this unit two years ago and loved it. We were hoping that it would be as clean and comfortable as it first was when we booked it the second time. It was. It was well stocked with the necessities. Everything worked well (although at times we had a little problem connecting with the internet). The view is spectacular. I spent hours on the balcony just looking at the Rock and watching the boats, sea lions and paddle boarders go back and forth. The location right on the Embarcadero is great, too. Easy access right out the door to good restaurants and interesting shops

Morro Bay Stay

★★★★★ 5 of 5

Wonderful place to stay especially if staying for few days. Everything you need in the kitchen and Bbq areas! Great fireplace which we did use one evening with the spectacular sunset and view of the bay and rock! Great to have a garage which we left our car in the entire stay as everything within walking distance. Wonderful keyless entry so no keys to worry about. The best sofa sleeper we ever slept on. The primary bed and linen was sooooo comfortable. Easy to book and check in and check out!! We will absolutely stay here again. Already made our reservations for next year!! Thank you!!
