Wonderful Bayfront Condo!!!!

★★★★★ 5 of 5

We loved this Condo! It is right on the bay and the view is sublime. The Condo is well maintained and decorated. The kitchen had everything we needed, although we didn't cook much since you are so close to many fine restaurants. The king bed was very comfortable with nice linens and pillows. This place is immaculately clean - we felt right at home. The location can't be beat - right in the middle of Morro Bay - walking distance to almost everything. The way the building is designed all the condos face the bay, so it is also very quiet - no street noise whatever. We would definitely stay here again!!

Great location!

★★★★★ 5 of 5

The view is amazing! It was a bit foggy some of our trip, but, watching the otters from the balcony is great! The location is so great, well, maybe a little to close to the bakery (I think that my husband went there 3 times a day :) Driving into Paso Robles, San Simeon, and San Luis Obispo are also super fun, and Morro Bay is central to all of them. They put in great homey touches, like Kleenex and coffee and creamers, with the fireplace, it's all very cozy. If you go there, be sure to have breakfast at Frankie and Lola's (chilaquilles and the sexy coffee are amazing!). We'll be back!

Beautiful bay views

★★★★★ 5 of 5

Would definitely stay at this condo again! Great location for walking all of the waterfront and even to Morro Rock; plenty of room for 4 people, beautiful views of the the bay, cute patio for early morning coffee (provided) and a cheese & fruit plate; totally relaxing atmosphere.

Owner's Response: I am sorry to hear about your issues with your stay. In looking at our notes about your stay, I see that you wanted to bring 6 people plus your dog and we did not allow that so I hope that did not taint your review of this condo. As hopefully you saw upon arrival, these units do not accommodate additional people. It is true that some of the garages have low clearance but we do state that in red letters in the access information email that goes out to the guest. As for the squeaky doors, thanks for letting us know and we will address that as soon as possible. We encourage our guests to contact us during their stay so we can address issues like this. We get varied comments on the foldout beds in the LaRoche Suites. They are the very high-end American Leather patented memory foam fold out bed and we have had other guests state that they are the most comfortable sofa bed they have ever slept on so as you know, bed comfort is a very personal choice. (Please see review below where someone specifically calls out that the foldout bed is very comfortable). I hope anyone reading this will also take in to account the many glowing reviews we have for this condo.

we loved it! Exceeded all expectations and views of the bay and rock were awesome!!! Our dog had a blast looking for otters and seals, and the ability to park the car and not take it out again if you want to!

Great Bay-side condo

★★★★★ 5 of 5

My wife and I have visited Morro Bay many times, and lately have been staying in Los Osos at the south end of the Bay. Recently we had a last-minute opportunity to get away to the Central Coast, and our usual spots were unavailable on short notice. We found La Roche and liked the idea of being right on the water and two doors down from our favorite kayak rental place. Knowing how busy the Embarcadero gets, we were a little concerned about noise/lack of privacy. However, we were happily surprised to find the spot quiet and calm. The condo was immaculately clean, well-furnished, and the garage parking was a nice perk. The Bay/Rock views from the deck were lovely, with lots of sea mammals and birds to watch. The fireplace worked perfectly for keeping warm on the cool mornings/evenings. It was nice to have the option to walk to downtown Morro Bay for food/drink, but we ended up cooking all our meals in the well-equipped and comfortable kitchen, then enjoying them outside on the deck overlooking the water. Overall, it was a perfect place for a quick, easy vacation in one of the Central Coast's best locations.

Great Get Away

★★★★★ 5 of 5

I stayed during the Christmas holidays 2014 and took my small dog. I was visiting relatives for Christmas in the area. I would have to say it was the BEST thing I did for myself for the holidays. Other relatives in town for Christmas stopped by the condo after we had dinner (walked) Christmas Eve for drinks and desert. Everyone loved the place and location with views of The Rock and harbor. Besides being pet friendly, it was great to have a garage to park my vehicle with no worries. I will definitely return.
