### Excellent Water Front Stay

★★★★★ 5 of 5

Great location, on the Embarcadero. Apartment is perfect for 2 adults, or a small family. Clean, well Lee signed, and everything you need. Communications with leasing company was easy & everything is clearly laid out. Only thing less than ideal is unreliable cable TV, but you are on vacation, so it is not a major issue.

### Fantastic Valentine Getaway!

★★★★☆ 4 of 5

My husband and I thoroughly enjoyed our two night stay at La Roche. The view of the bay from the living room was absolutely gorgeous. The seals sang their songs, paddle board enthusiasts, and boats heading out for some sailing were entertaining us all day. At night the sunset was right in front of our deck!

A word of warning for any handicapped renters: I thought that I had signed up for La Roche #1, entirely ADA compliant and on the ground floor. When I received the contract, the condo indicated was #3. I made the assumption that all three units were ADA and had no steps. However, when we arrived, we saw that units #2 and #3 were reached by some steep steps which were extremely difficult for my handicapped husband. Luckily, the manager arrived just as we arrived and graciously helped me get the heavy luggage and food up the steps because my husband was not able to do so.

However, the stay was wonderful once we were settled in to our unit! We might be back again, but in LaRoche #1. The view from that unit was just as spectacular!

## It is my new "home away from home!"

★★★★★ 5 of 5

So lovely! Stocked with just enough basics to make it feel like a home. Very clean and peaceful. I don't want to stay anywhere else in Morro Bay. I plan to request condo #3 again in the future. Thank you!

## Great Stay

★★★★★ 5 of 5

For our first stay in Morro Bay, my husband found the perfect place for us. That would be Beach & Bay Getaways. The location was right in the middle of town, but surprisingly quiet & secluded. We ate out quite a few times in our 2 week stay but also enjoyed using our completely supplied kitchen and sitting on our little balcony eating, drinking coffee or just sitting outside reading or people watching. The king size bed was very comfortable & all the sheets & linens were high quality, just like at home. Any questions or concerns were addressed before we even arrived. A wonderful relaxing stay for us and we intend to stay 3 weeks next summer!

Exceeded our expectations! Photos can hardly do it justice. Booking agent was right on with her recommendation of this place. Worked well for us and our two young adult sons, simply because location was so great (and because there were two bathrooms!). Kayaking, hiking, exploring nearby. Shops, restaurants, and bars within walking distance. Had an amazing seafood dinner at the recommended spot. Very clean. Well stocked with towels and paper goods and kitchen items. Our favorite thing to do was simply look out the window at the view or step out on the deck to see passing kayakers, playing sea otters, sunsets etc. We splurged just a bit to be on the water and it was worth it. Actually, the taxes and fees were lower on this condo than on several other properties we checked. We will definitely book this property again when we are in Morro Bay.

## So glad we splurged on this luxurious condo!

★★★★★ 5 of 5

We've been coming to Morro Bay for relaxing and romantic getaways for a couple of decades now, starting back in the days when the Inn at Morro Bay was THE place to be. We've stayed in plenty of hotels and vacation rentals, and this one tops the list in terms of luxury, location, and amenities. Here's what we liked the best:

Having His-and-Her bathrooms was a real treat.

Kitchen was nicely equipped, although with the proximity of great restaurants, we didn't actually cook much.

We did eat in often, and enjoyed the little dining area and deck for our coffee and take-out food.

Living room furniture was super comfy, so we could relax and catch the best views of the early morning sun, sunsets, and harbor action during the Christmas season. Never a dull moment!

Loved the classy fireplace!

Laundry room was handy and clean, shared by just 3 units.

Very happy with the secure garage, especially since we were loaded down with travel gear.

Walk one direction to the Embarcadero businesses, the other to the Embarcadero park. Either direction is fun!

Dog owners - something you might want to know about: We brought our little Maltese-Yorkie to this pet friendly unit. Be aware that the places to walk your dog are located across the street then one or two spaces away, around the edges of parking lots. Super easy to get to, but there is no stepping outside your door in your jammies to let your dog relieve him/herself adjacent to these condos.

Dealing with Beach-n-Bay Getaways was 100% positive! We have rented many vacation homes in various parts of the world, and Maggie and Nick (owners of Beach-n-Bay) are head and shoulders above the rest. Having great customer service in vacation planning as well as during our stay made this part of the trip a pleasure from beginning to end.

If you are wanting a close-to-the-ocean experience, rent something north of Morro Bay in the lovely Beach Tract. If you want to be in the heart of Morro Bay, where you can walk to anything and enjoy being right on the harbor, rent one of these luxurious Harbor Front condos!
