Thank you for the wonderful opportunity to stay in one of the best homes in Sunriver. Your home was not only comfortable but a true treat in the quality & care of the home. The lay out of the home was terrific that allowed all of us some great space to really enjoy ourselves. The furnishings were better than most 4 star hotels. My family that visited us while we were in Sunriver were all so impressed with the home that they asked me for the owners contact information for their coming events.

Thank you again & we will be back very soon!

Spacious house for large groups, great for Mt Bachelor getaway

★★★★☆ 4 of 5

This house had everything we needed - plenty of space for 3 families, diversions for the kids & a hot tub after a long day skiing. Most things have not been updated, notably the plumbing (the shower faucets are stripped and the hot water would occasionally shriek), but it is comfortable and has plenty of conveniences (like the griddle, 4 slot toaster, etc.). We enjoyed the SHARC pool when the mountain was too windy to run ski lifts - played water volleyball, spun in the whirlpool, adults in the hot tub. If you're not used to 80s construction, you might be surprised at how little

sound-proofing there is (bring your white noise machine if you have light sleepers). We spent hours comfortably playing cards and games by the fireplace or at the large dining room table. Relative to other similarly-sized houses, it is a good value.

Fantastic Vacation Home in Sunriver!

★★★★★ 5 of 5

My husband and I along with 3 other couples decided to do a fall getaway to Sunriver to play some golf and relax. After looking at many homes, we decided upon this one and we were all congratulating ourselves on the good choice we made! The house has a great layout with the upstairs den so separate from the main living area downstairs. The guys tended to gather up there to play some cards while the women visited downstairs. We were very lucky to have great weather so all of us spent our morning coffee time on the deck watching the deer go by. This house is very well-equipped and everyone agreed that the beds were very comfortable and of course we loved the spa. We were the first ones to get to use the new spa and it is great! I would highly recommend this home for a couples group like ours and it would also be great for a family gathering. My husband and I are thinking about bringing our children and grandchildren here next summer for a week. We LOVE Sunriver!!

Great Choice

★★★★★ 5 of 5

Have enjoyed Sunriver with our extended family on a number of occasions. Our choice of lodging this year was the best. The home was spacious for 13 (including grown kids and grandkids); the amenities many; the house was clean and ready for occupancy when promised; and its location ideal. Was concerned that its location at the north end of Sunriver was too far from the village and its activities, but its easy access via the bicycle paths (and good exercise). Further, at the end of the day, its quieter as well. The owners are personable, trustworthy, professional, and easy to work with when booking. Also, first time an owner/manager has ever called me during my stay to see if all is well - much appreciated. Listing and photos accurate; property well maintained; and would recommend to family and friends. Sunriver is a family oriented resort with multiple activities - worth a visit.

Spacious very comfortable home!!

★★★★★ 5 of 5

Very nice home that was nicely equipped. New pingpong equipment is a must but kitchen was well stocked with everything we needed. Master bedroom was absolutely huge! Great home, I highly recommend your stay be here. Get ready to read a ridiculous amount of notes on every single thing in the house down to the toilets! Makes for a good laugh if nothing else!

Great for Multiple Families

★★★★★ 5 of 5

This was a great home. We have 4 families with young children in this house and it was the perfect amount of space. The owners were really great to work with and very communicative, especially when we had a bit of a snow storm the day we were suppose to arrive. We would definitely recommend this house.

Great end of summer get away

★★★★★ 5 of 5

This was just what we were looking for. We had 4 families stay here the week following labor day and there was some concern about space with this many people (8 adults and 8 children aged 6 months - 4 yrs) This quickly bacame a nonissue. The house was plenty big enough and the layout was great. Great access to the north pool and golf courses. Bike trails abound. Our kids had a great time riding bikes up and down the street and along the cul-de-sac. What an awesome time we had. Thank you so much!!

Great rental!

★★★★☆ 4 of 5

Five families (grandparents and adult children), two little ones (1-1/2, 3-1/2) and 19-year-old shared this house for a family get-together week (12 people in all). We loved the house and the location. It was very spacious on the first floor and the very spacious master bedroom on that floor was the perfect "quiet" place for grandparents when the noise level got to be a little high. The kitchen was furnished with every device and pot/pan and plenty of dishes and silverware to accommodate all of us. Also, the extra full-size refrigerator in the garage was terrific. We almost never turned on the TVs nor did we use the playstation, but the ping-pong table in the garage and the foosball setup upstairs were a hit with extended family's older children, who stopped by a couple of times to play games while adults visited. The beds were outstanding and we all slept very well. The only thing that didn't work as well as we had hoped was the sleeping arrangements for 5 families plus kids. We shuffled people around during the week after one couple left early and that was better. Ideally, the house would probably work best for 4 adult families plus a few kids in the game room. But, all in all, it worked out just fine. There were a couple of maintenance issues that needed to be taken care of and, when we informed the owners, they were aware of them and apologized that they hadn't had a chance to do so with back-to-back bookings at the end of the season. The owners were great to work with, however, and called us the first evening to see how we were doing. Since we will have one less family should we go next summer, we are definitely considering renting this place again. We loved biking, the pool nearby, the hot tub, the deer walking by the house twice a day and, most of all, the fabulous Central Oregon weather and scenery.

Great vacation rental, lots of room, clean, easy to find. Wonderful for our large group no one felt crowded. I appreciated how well stocked the house was ie: pillows, bedding, utensils, etc. The kitchen had everything you need to cook for such a big crowd. Thanks

This house worked very we...

★★★★★ 5 of 5

This house worked very well for our family reunion in late June of 09. We were 14 in all, 8 adults and six children ages 12-3. There was plenty of room for the whole group at once and private space as well. We liked the quiet cul-de-sac street in the north part of Sun River. It was an easy walk to the pool, tennis and golf. The well appointed kitchen allowed us to prepare some great meals. The young adults appreciated the wireless computer feature. The ping pong table, foosball, wide screen TV and hot tub were popular. The deck outside the kitchen is roomy. The owner and his managers were very easy to work with.
